

New Portable Sidewalk Sign

Patented Wind Release Hinge, Aviator Sign Board, Durable, Easy Installation

Product Info

Every business owner knows the importance of curb appeal and drawing customers into their store. The new Sidewalk sign creates impressive, edge to edge graphics, with a sleek design. The patented wind release hinge with springs allows the sign to flex in inclement weather. It is easy to install and set up takes just a few minutes.

The new Aviator Sign Board is a durable, light weight, smooth plastic that prints beautiful full color graphics and will stand up to the harshest weather conditions.

Maneuvering the Sidewalk sign is simple as well. It has a 4 wheel base, two locking wheels and a pull hook. The Base can be filled with sand for additional weight or stake into the grass.

The optional LED lights really set you apart from the competition by getting your message noticed, day and night.
